

No. F. 2(365)-FB/EoDB/BRAP/2024/ 885-91
Government of Tripura
Factories & Boilers Organisation
(Labour Department)

Dated, Agartala the 9th September, 2024.

NOTIFICATION

Whereas, there is a need for simplification of procedures for hassle free statutory clearances for rapid industrialization in the State of Tripura and Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and Industry, Government of India has recommended to ensure that information is available on website on all necessary components for availing a service under the Boilers Act, 1923; Indian Boiler Regulations, 1950 and Rules made there under for submission of online application for approval of registration and renewal of boiler and boiler manufacturer.

NOW, THEREFORE, in exercise of the power conferred under sub-section(3)of Section 34 of the Boilers Act, 1923, the Government of Tripura in Factories & Boilers Organisation (Labour Department) hereby notified that the information is available on website on all necessary components for availing a service such as comprehensive list of documents required, procedure with stage wise details, cost and time for completion of each procedure/ step, searchable based on risk category, size of firm, business location and Foreign/ Domestic investor for availing a service;

This is issued in part modification of earlier Notification No. F. 2(345)-FB/EoDB(SRAP)/2020/1639-45 dated, 10.11.2020 and shall come into force from the date of its publication in the official Gazette of Tripura.

SUBMISSION OF APPLICATION, PROCEDURE, CHECKLIST, FEES, TIMELINE, RISK CATEGORY, BUSINESS LOCATION & FOREIGN / DOMESTIC INVESTOR

1. Application for Registration of Boiler under the Boilers Act, 1923:

A. Procedure for submission of online application:

- The Entrepreneur shall submit application on-line through SWAAGAT (<https://swaagat.tripura.gov.in>).
- The online application, to be verified whether all required documents are attached with fee details.
- The deficiencies, if any, in the application, shall be informed to the applicant.

B. Processing of the Application:

- If the application is found to be in order, the department will allocate an inspector to conduct an inspection
- Inspector will follow the procedure as mentioned below:
 - Ground inspection and Simulation test of pressure parts.
 - Boilers drum alignment inspection.
 - Tack welding inspection before final welding.
 - Welded joints inspection and marking for Radiography.
 - After satisfactory erection, Hydraulic Test of boiler.
 - Provisional Order (Form-V) will be issued after successful Hydraulic Test.
 - Steam Test as per Regulation.

- The inspector then up load the inspection report to the Department.

- Based on the report, if all are in order, Chief Inspector of Factories & Boilers shall sign and upload the approval in SWAAGAT portal.

- Counter signed of Provisional Order (Form V) issued by the Inspector
 - Registration number will be allotted after successful Steam Test
 - Engraving of registry number
 - Final Operation certificate [Form VI] will be issued for 12 months from the date of hydraulic test
- The entrepreneur can view and download the digital copy of the approval in his login

C. Checklist of Documents to be submitted with the Application:

- Folder with Form-II, III, IIIA & drawings, etc.
- Form-B No.-1 online through SWAAGAT
- Welding Procedure Specification (WPS) for approval
- Details of Erectors and Approval.
 - List of tools and tackles.
 - List of technical personnel detailing designation, educational qualifications and relevant experience (attach copies of documents/Certificates).
